

Attract & Retain Top Talents in R&I

Enhance your remuneration package
with long-term pension security

A pan-European multi-employer pension fund, built exclusively for research performing institutions and their employees. Non-profit, cost-effective and backed by the European Commission.

Why RESAVER?

For Research Institutions & HR Teams

- **Talent Attraction** – Attract the brightest minds with a supplementary pension without international barriers and with tailored contribution levels for specific employee groups.
- **Be competitive** – Implement flexible contributions adapted to budget including voluntary options and employer matching and potentially cover them with EU Grants.
- **Less Admin, More Focus** – RESAVER handles fund operations, compliance & regulatory filings, freeing up your HR team.
- **Ready-to-Implement Solution** – RESAVER has no set-up costs, no hidden fees and is legally and tax-approved in 9 countries in the EU so far.

For Researchers

- **Move Freely, Keep Your Pension** – Stay with the same pension fund as you change jobs and countries in Europe.
- **Secure Retirement** – RESAVER supplements state pensions and ensures researchers are not disadvantaged by career mobility.
- **Zero Barriers** – No vesting periods, no hidden fees, and tax efficiency.
- **MyRESAVER Online Portal** – Manage contributions and benefit requests simply and transparently anytime, anywhere.

For HR teams: RESAVER simplifies pension management.

For researchers: RESAVER secures their retirement across borders.

For institutions: RESAVER makes them a magnet for top talent.

Join the EU Movement for Research Mobility

RESAVER is more than a pension provider—it's part of the movement to make research careers borderless and financially secure.

- **Be the institution that researchers want to work for.**
- **Be part of the innovation in research mobility.**
- **Give your researchers the financial security they deserve.**

RESAVER is ready for institutions to join today in 9 countries so far. Universities and research centers across Europe are adopting it—will you be next?

“EATRIS ERIC chose to become one of the early RESAVER participants to provide our staff equal and sustainable pension benefits, independent of where they work in Europe.”

FRANK DE MAN, ADVISOR EXECUTIVE BOARD, EUROPEAN INFRASTRUCTURE FOR TRANSLATIONAL MEDICINE (EATRIS)

“RESAVER is an excellent benefit for ELI. It enables us to offer an attractive and truly European pension scheme to our employees. The portability across countries and institutions makes it especially valuable for our international staff, and the administrative process is straightforward and reliable. It has become an important and valued part of our benefits package.”

MICHAELA KACROVÁ, SENIOR OFFICER FOR HUMAN RESOURCES (ELI ERIC)

“The EC recognises the importance of seamless occupational pensions for researchers, especially those who are mobile. RESAVER plays an important role in fostering the European Research Area, enabling a single, borderless market for research, innovation, and technology. With RESAVER, our researchers can focus on groundbreaking work without pension-related concerns.”

SLAVEN MISLJENCEVIC, POLICY OFFICER, EUROPEAN COMMISSION

RESAVER is fully operational in these countries:

🇦🇹 Austria, 🇧🇪 Belgium, 🇨🇾 Cyprus, 🇫🇷 France, 🇭🇺 Hungary, 🇮🇹 Italy, 🇳🇱 The Netherlands, 🇪🇸 Spain and 🇨🇪 Czech Republic.

RESAVER is continuously expanding geographically and aims to welcome organisations from most countries of the EEA.
